Chapter 1 by Lotus Nanese

Otonashi reached out and tapped Kanade on the shoulder. Kanade jumped and turned around to see him standing there. "Hello," she said to him, though she had no idea who he was. They had last seen each other in the after world. When you leave the after world, you leave your memories there, and go make new ones. It is a terrible thing, to lose the the memories you have of the one you love. But, it was the process you had to go through to get to the human world, but you have no idea it happens. You get obliterated, and you are a baby again.

"Hello," Otonashi replied. "May I help you?" Kanade asked him. "Yes actually, would you mind singing that song again?" Otonashi asked. "Sure," Kanade said. She began to sing the song once more, and when she finished, Otonashi asked, "Where did you hear that song?" Kanade thought for a moment, and replied, "I've just always known it." Otonashi thought about when he had heard it, and figured it was the same with him, but he did not dare say that, so instead he asked, "What is your name." "Kanade Tachibana," she replied.

"My name is Yuzuru Otonashi, but you can call me Otonashi." "You can call me Kanade, or, my friends call me Angel." "Nice to meet you Angel," Otonashi said. "You too Otonashi," Kanade

replied. They continued talking, and walking, until Kanade reached her home. "I have to go, but can we hang out tomorrow?" Kanade asked. "Sure," Otonashi replied. "I'd like that, how about noon at the nearest cafe?" "Okay," Kanade said. "See you then," Kanade went inside and Otonashi left to go to his home.
